Change of Command

Awards Day ended with the traditional end-of-semester Change of Command ceremony, but this year it was virtual. Fall 2020’s Wing Commander, C/Col Matt Simcox, transferred his role over to C/Col Haley Rose.

It’s been a wild ride, but this semester has finally come to a close. Despite this, Det 590 found a way to thrive. Next semester probably will be just as crazy, but we will get through this. Because WHO ARE WE? Det 590.
MESSAGE FROM THE PUBLISHER

C/3 C KERR

I am an AS200 cadet looking to double majoring in Business Administration and Russian. I am trying to go rated and be a pilot when I graduate. In my free time I like to draw, rock climb, workout, and read.

I want YOU to send me any comments or concerns about the newsletter!
